

ECA - Open House & Discussion

WE WANT TO HEAR FROM YOU!

Was the event informative?

☒ Yes ☐ No

Did you feel that your concerns were heard and/or recorded?

☒ Yes ☐ No

Questions or Comments:

THERE IS NO NEED TO CONVERT TO WATER
TYPING BASED ON WAC 222-16-031 (1-5 system).
THE STATE'S NEW SYSTEM (WAC 222-16-030) OR
KING COUNTY'S NEW SYSTEM ARE BETTER
ALIGNED WITH STREAM FUNCTION. NEARLY
ALL STREAMS IN SEATTLE CAN BE CLASSIFIED
AS FISH OR NO-FISH (LIKE THE CURRENT A-B
SYSTEM). THE 5-TYPE SYSTEM IS INTENDED
FOR ^AMORE ~~BY~~ DIVERSE SET OF STREAM TYPES.
